**Compounding and crediting** - Dividends will be compounded every quarter. Dividends will be credited to your account every quarter.

**Dividend period** - For this account type, the dividend period is quarterly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is March 31. **Minimum balance requirements:**

The minimum required to open this account is the purchase of a share in the credit union. Please see the bylaw requirements in the Common Features section for additional information.
